# Comfortable short telescopic pipe provides easy handling in tight spaces

## Telescopic pipe

adjustable in length from 1,518mm (59-3/4") to 1,618mm (63-3/4")

## BL MOTOR

High performance with brushless DC Motor

### Wire guard

- reduces the risk of damaging fences, flowers or ornaments.
- foldable for convenience

### Smaller protector for better view of cutting area

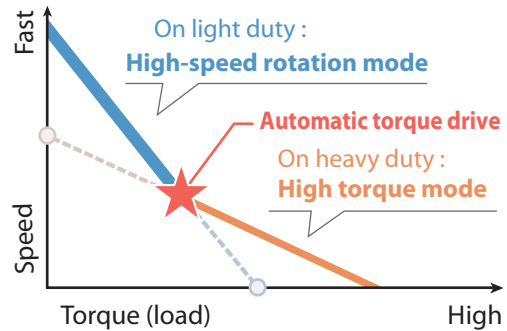

Compact protector for nylon cutting head provides better view of the blade tips, without losing the performance for prevention of scattering of grass clippings.

## ADT

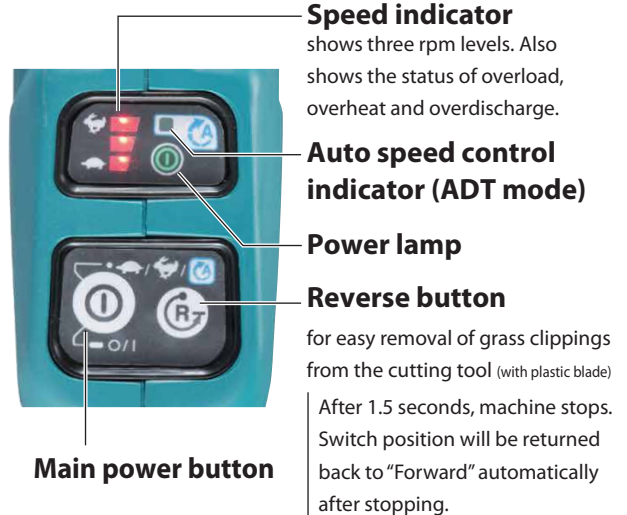

Automatic torque Drive Technology

automatically changes the cutting speed according to load conditions for an optimum operation:

- On light duty: high-speed rotation mode
- On heavy duty: high torque mode

All control devices are conveniently located near your hand.

## XPT

Extreme Protection Technology

Enhanced Dust and Drip-proof Performance ensure reliable operation even under bad weather.

### Run time (min)

On a single full battery charge
